Instructions for Ordering Parts

- 1—Order all parts through the nearest Ford Branch or Ford Dealer in your territory, as parts for the Ford Model T car are carried in stock by them.
- 2—Always specify **model** and **give Car Number** of your car. Give **number** and **name** of each part ordered.
- 3—**Cash should accompany all orders.** If it is desired to have parts shipped C. O. D., a deposit sufficient to cover transportation charges both ways must be remitted with the order.
- 4—Mail orders must be accompanied by an amount sufficient **to cover Postage.**
- 5—All prices are net f. o. b. Detroit.
- 6—Specify whether shipments are to be forwarded by mail, express, freight, or with carload of machines.
- 7—Orders for parts should be written separately from correspondence pertaining to other matters, as this will insure prompt handling by the Parts Department at the factory.

Telegraph Code

To save expense, to expedite ordering and for the convenience of those purchasing parts, we have arranged a code word for each part of the Ford Model T car. In addition to the Parts Code we list below a brief General Code covering miscellaneous instructions, questions and answers relative to the entering and shipping of parts ordered.

In telegraphing an order for parts start with the code telling us how to ship, then use the word for the part wanted, stating the number required and then give the number of your car.

The following will illustrate how to send in an express order for Eight Push Rods No. 3058, and Three Transmission Band Springs No. 3425:
