Dear Sir, your letter of the
Oct. 20th at hand, stating that you
shipped via parcel post, six wrenches,
two of each size.
I have been waiting patiently
for the wrenches, but haven't seen
them yet. Probably they have become
lost on the way to Berlin; as I have
inquired at the Post office at Berlin
as soon as I received the wrenches
I will notify you.

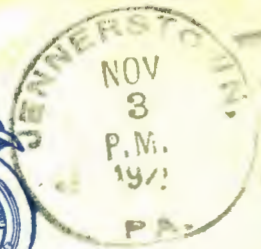

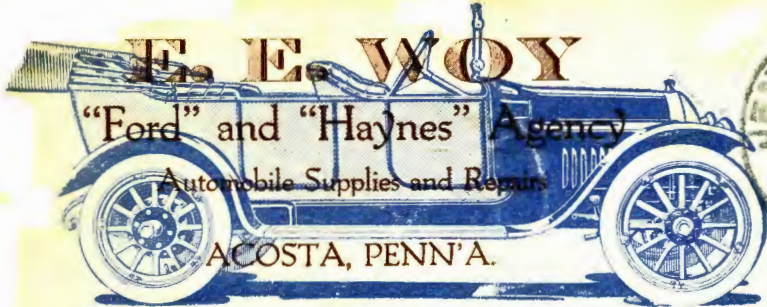

Yours Respectfully
E. E. Woy
