Christmas—a new car—the surprise—the excited shouts—the joyous exclamations—the whole family happy—that’s a real thrill!

Why not have the scene in your home this Christmas?

There’s a world of pleasure in owning an automobile—winter and summer—all the year round.

A Ford car costs so little that you can buy one and still have money left over to spend for the other things that go to make a Merry Christmas.

Increased Mileage — Smoother Operation

Unless you have driven a Ford car equipped with the new vaporizer you cannot appreciate what an improvement it makes in engine performance.

In addition to giving more mileage to the gallon of gasoline, smoother operation and more power, it reduces both carbon and crankcase dilution and makes starting easier.
