

STOP--STOP RIGHT NOW WITH FOUR WHEEL BRAKES

Model T Ford **\$16.50**

Here is a real boom to Ford, Chevrolet and Pontiac owners. Stop and avoid accidents, save tires, car and mostly protect yourself. Safety is why all cars are now four-wheel brake equipped. Complete with fitting, ready to install, nothing else to buy, order a set today.

Speed and Power Transmissions

150% More Power
33% More Speed

Your present Ford can be converted into a Gear Shift car, same principle as new Model A. This Transmission Unit is complete in every detail. Three speeds forward, one reverse. Will give your Ford extra speed and your truck twice the power, it will pull you out of a bad mud hole and speed you up the steepest hill.

	List Price	Your Price
For Ford Passenger cars.....	\$74.00	\$38.90
For trucks, Model T and TT.....	84.00	49.00
For 1928-29 Ford trucks, with 7 speeds forward and 1 reverse.....	99.00	58.00
