INDEX TO SERVICE BULLETIN—VOLUMES 9, 10, 11

Subject	Volume	Page	Subject	Volume	Page
Spark Lever, Retard When Starting	10	87	Tractor Repair Equipment	9	60
Spark Plugs	10	39	Tractor Worm	9	21
Spark Plugs	10	89	Transmission, Auxiliary for Series H Truck	10	50-51
Spark Plug Setting	10	56	Transmission Case, Change	10	88
Specifications Model A	9	59	Transmission, How It Operates	10	3
Speed	11	17	Transmission, Little Attention Required from a Repair Standpoint	10	3
Speedometers	10	40	Transmission, Disassembling	10	3
Speedometers	10	89	Transmission, Inspection	10	4
Speedometer Cable	10	74	Transmission, Assembling	10	5
Speedometer, Changing	11	50	Transmission Clutch Disc Model T	9	70
Speedometer, Changing	11	75	Transmission Lubricant	11	51
Speedometer, Lincoln	10	90	Transmission Oil Retainer & Baffle	11	55
Speedometer, Replacing	10	20	Transmission Reaming Machine	9	15
Spindle Arm Change	10	56	Transmission Reverse Idler Shaft Assembly	10	40
Spindle Bolt & Lock Pin, New Style	11	54	Transmission Setting for Neutral	9	21
Spindle Bolt Bearing Assy.	10	58	Transmission, Shaft	11	101-2
Spring Clip Bar, Redesigned	11	50	Transmission Shaft and Gears Held to Closer Limits	10	81
Spring Clip Bar Spacer, New	11	74	Tudor Body, Illustration	11	56
Spring Clip Bolt Nuts Front, Must Face Outward	10	57			
Spring Clip, New	10	88	U		
Spring, Front, New for Service on Trucks	11	43	Universal Joint Rings	11	75
Spring Shackle Bushing	11	31			
Squeaks	11	43	V		
Squeaks, Body	11	44	Vacuum Cup Grinder, Used for Grinding Model A Valves	9	77
Starter Brush End Plate Bushing	11	35	Valve Chamber Cover, New Style	11	46
Starter Pinion	10	10	Valve Clearance	10	22
Starter Rear End Plate Bushing	11	35	Valves, Clearance Between Valves and Push Rods	11	14
Starter Switch Spring, New	10	66	Valve Guide Bushing Changed	11	34
Starting Crank Bearing Oil Hole	11	35	Valves, Grind and Clean Carbon	9	90
Starting in Cold Weather	11	71	Valve Seats, Reaming	10	2
Starting Motor, Ball Bearing equip'd	10	52	Valve Stems	10	90
Steering Column, Lengthened	11	100			
Steering Gear	10	12-16	W		
Steering Gear, Change to R.H.C. on Model T and TT	9	59	Washer, Power Car	10	73
Steering Gear Connecting Rod	9	21	Water Pump Impeller Washer, Must Be Correctly Installed	11	100
Steering Gear Bushing Drilled After Installation	11	92	Water Pump Packing, New Split Ring Design	11	51
Steering Gear, Do Not Use Grease	11	52	Water Pump Shaft, Leaking	9	76
Steering Gear Housing, New Lubricator Fitting	10	56	Wheel, Adjusting Front Bearing	9	76
Steering Gear (New 2 Tooth Sector Design)	11	94-99	Wheel Aligner	10	57
Steering Wheel Adjustment	10	7	Wheel, Front, Alignment	10	11
Stockroom Layout	9	12	Wheels, Front, Check for Side Play	9	76
Stoplight Switch, New	11	92	Wheel, Front, Outer Bearing Grease Retainer	11	27
Striker Plate Relocated	11	89	Wheel, Front, Alignment	10	36
			Wheel, Front, Check Alignment After Tightening Ball Plugs	11	51
T			Wheel, Front, Bearing Adjustment	10	10
Throttle Control Assy.	11	19	Wheel, Front, Grease	11	22
Timing Gear	9	98	Wheel Puller, Bulldog	9	5
Timing Gear	9	106	Wheel Puller, New Type	11	20
Timing Gear, Loose	11	88	Wheels, Use AR Wheels with AR Hubs and Use B Wheels with B Hubs	11	4
Time Gears Must Be Meshed According to Marks	9	100	Wilson, K. R., Air Hydraulic Rotary Lift	11	39-40
Tire Air Pressure, Truck	10	68	Wilson, K. R., Tool Cabinet	11	20
Tire Balancing Mark	9	100	Wilson, K. R., Valve Grinder	10	38
Tires	11	104	Wilson, K. R., Valve Stem Grinder	11	38
Tire, Balancing Mark	10	52	Windshield	9	99
Tires, Care of	9	27	Windshield Header Leak	11	42
Tires, Must Be Properly Mounted	10	82	Windshield Wiper, Use A-17553-B for Service	11	3
Towing, Proper Hook-up	9	24	Windshield Wipers	10	89
Tire, Recommended Pressure	11	5	Windshield Wiper, Servicing	10	28
Tire Service	10	87	Winter Service	10	53
Tire, Variable Tread Wear	11	4	Wiring	9	98
Top Back Window Frame Cushion Bumper	10	39	Wiring	9	106
Town Sedan Body Illustration	11	48	Wiring, Changed in Terminal Box	11	74
Tractor, Headlamp Installation	9	16	Wrench for Drive Pinion Bearing Lock Nut	11	19
Tractor Piston Ring Gap	9	70	Wrench Kit For Model A	10	21
Tractor Rear Wheel Bushing Bolt Tight	9	32			
Tractor Repair Equipment	9	41			
Tractor Repair Equipment	9	46			
Tractor Repair Equipment	9	54

INDEX TO SERVICE BULLETIN—VOLUME 12

FILE IN YOUR BINDER

Subject	A	Volume	Page	Subject	D	Volume	Page
Accelerator to Steering Gear Rod (Offset)—Used on New DeLuxé Phaeton		12	29	Differential Case Screw		12	98
Adapter Plate—For use with Scaloped Truck Hubs		12	79	Differential Pinion Oil Holes		12	7
Ammeter—PROPER Charging Rate		12	45	Distributor		12	12
	B			Doors—Weatherstrip for Open Car		12	14
Battery		12	12	Driving Gear and Pinion (New High Speed Truck)		12	2
Batteries—Displays Kept Clean		12	64	Driving Pinion and Retainer		12	95
Battery Cable		12	50	Dual High Supporter—Alignment		12	95
Battery Ground Connector Bolt Washer—New		12	9		E		
Battery—Hydrometer Reading		12	44	Electrical Equipment—Check		12	12
Battery Parts—Changed		12	9	Electrical Troubles—Winter		12	46
Battery—Reduced Price		12	42	Electric Windshield Wiper Driving Arm		12	55
Battery—Sales Suggestions		12	43	Emergency Brake Band Lining for Model "A"		12	54
Bendix Drive—Service Suggestions		12	60	Emergency Brake Carrier Plate Assembly—Lugs Added		12	38
Body Parts List		12	54	Emergency Brake Cross Shaft—Changed		12	18
Bolt—A-20931 Obsoleted		12	28	Emergency Brake Lever Bushing (Part AA-2644-A)		12	23
Bolt for attaching wires to Cutout—New		12	19	Emergency Hand Brake Lever—Changed		12	37
Brake Adjustment		12	31	Engine Front Support—Now Used on 157" Chassis		12	83
Brake Drums and Front Brake Operating Wedge		12	63	Equipment—Model "A" Attractive Equipment		12	31
Brake Lining—Ground Side—Must come next to drum		12	59		F		
Breaker Arm Assy.—Gyp		12	64	Fender Iron Changed from stamping to forging		12	60
Breaker Points and Spark Plug Gap		12	92	Filler Block—New Rear		12	38
Breaker Point Gaps—Check		12	6	Flywheel Bolt—Length Changed		12	24
Breather Pipe—New		12	54	Four Speed Transmission Gear Shift Lever		12	5
Bulb—32 CP Sold through Service		12	62	Frame—New 157" W.B.		12	82
Bulb burning out		12	46	Front Spring—Heavy Duty		12	62
Bumper Arm—Front		12	98		G		
Bumper Bars—Length Changed		12	37	Gasoline—Mileage Tester		12	34
Bumper—New Truck		12	62	Gasket Board		12	84
	C			Gas Tank Filler Screen Head—New		12	7
Carbon Removing		12	23	Gasoline Gauge Dial Float and Rod Assembly—New		12	27
Carburetor—Parts		12	10	Gear Shift Housing Cap Threaded		12	61
Carburetor—Secondary Well		12	10	Generator		12	12
Carburetor Throttle Lever Stop Screw		12	55	Generator—Changed		12	14
Clips and Nuts on Truck Springs		12	96	Generator Terminal Bushing		12	36
Clutch Pedal Clearance—Check		12	28	Changed		12	99
Clutch Release Arm and Fork to Shaft—Change in method of attaching		12	24	Gray Socket Set		12	99
Clutch Release Bearing Hub—New Alemite fitting on Truck		12	37		H		
Clutch Release Shafts		12	59	Headlamps—Flickering		12	94
Clutch Release Shaft Bushing Shortened		12	37	Headlamp Plugs and Terminals		12	51
Coils		12	12	Headlamp Wire Loom, Keep away from Bracket		12	29
Corrections		12	30	High Tension Wire to Coil, Connecting		12	26
Coupling Shaft—157" Wheelbase Truck		12	62	Hood Clip		12	61
Curtain Assembly—Cabriolet (back)		12	5				
Cylinder Head Outlet Hose for Trucks—New		12	28
