Here is the opportunity to get it cheaply--quickly. Investigate!

LET us show you a Master Body for your Ford chassis. A beautiful, smart sedan or coupe with high hood and long, low sweeping lines. Roomy and comfortable—with refinements you'll find only in much costlier cars,—including vacuum system with gasoline tank in rear, nickled radiator shell, cowl ventilator, sun visor, linoleum covered running boards, fine upholstery, and rich blue Duco finish.

Master Bodies are made by the same workmen who make closed bodies for well known cars selling in the \$3000.00 class. Naturally, they have the thoroughbred look and luxury that distinguishes the finest cars. You'll know what we mean when you see one.
